INTERIOR DESIGN

Design Studio is an award-winning Interior Design and Furnishing company based in the Caribbean. With over thirty years of experience in design we understand the specific requirements for island living. Our global network of suppliers has been carefully selected over the years to ensure quality and the best of design for your home.

The attached furniture package has been created specifically for the Dolphin Point Club project. We have tailored the selections to work with the spaces and reflect the modern coastal aesthetic of the building.

If you would like to discuss the options further, we would welcome a meeting to review your design goals and how we can work with these packages or create a custom solution for your space.

Please feel free to contact us directly to schedule an appointment.

Thank you for the opportunity to work with you on this very special project.

The Design Studio team

Kitchen Package

For a turn key experience Design Studio has curated a quality kitchen package for your convenience.

This package will fulfill your needs for an investment property or act as a starter kit for your personal home. We include everything from cutlery to cookware, taking you seamlessly from breakfast to dinner and cocktails on the balcony.

Our signature products are from Alessi, the iconic Italian housewares line. These quality products are a joy to use and stand the test of time.

Linen Package

Design Studio offers a luxury linen package to complete your Dolphin Point Club residence.

The linen package includes all bed sheets, pillows, protectors and a matelesse for warmth. In addition to the bedroom items we also provide towels and bathroom accessories within the linen package.

Our signature products are from Sferra, a renowned linen company founded in Italy in 1891. Known for the quality of their fabrics, Sferra provides a superb look and feel for your beds.
